

THE SAMSON INN
**EVENING
MENU**

We try to source our ingredients locally where possible, benefiting from the wealth of superb produce on our doorstep. We work with local farms and suppliers to ensure that the meat in our dishes has been reared to high welfare standards, roaming freely outdoors for as much of the year as they can.

We use Fairtrade ingredients wherever we can and all our tea, coffee and sugar is Fairtrade.

Our dishes are prepared in our own kitchen from fresh ingredients and we aim to serve high quality food as quickly as we can. We hope you will understand if you have to wait at busy times.

Please ask our staff for more detailed allergen information.
